## Volunteer Power

Volunteers are the backbone of any community. Nowhere is that more evident than in our small communities on Haida Gwaii. We have numerous Non Profit organizations providing many services ranging from animal safety, to music festivals, to wellness and healing.

These organization members spend countless hours tirelessly giving up their time for the betterment of others. In order to continue being successful they need fresh new faces with new ideas and energy to join the team. Some groups need help with celebration activities, bookkeeping, cooking, or board members and directors.

The opportunities to make a difference are as diverse as our citizens.

Make **change** happen,  
**volunteer!**

## What is Volunteer Haida Gwaii?

It is a pilot project being offered by the Village of Queen Charlotte to help connect and match island wide volunteer based organizations with volunteers. VHG is an exciting opportunity to connect local not for profit organizations with Volunteers! Using an online system we can share information about organizations and the events they need volunteers for.
