

# What do **YOU** think?

## New Sewer Treatment System Location

### A MUCH NEEDED SYSTEM

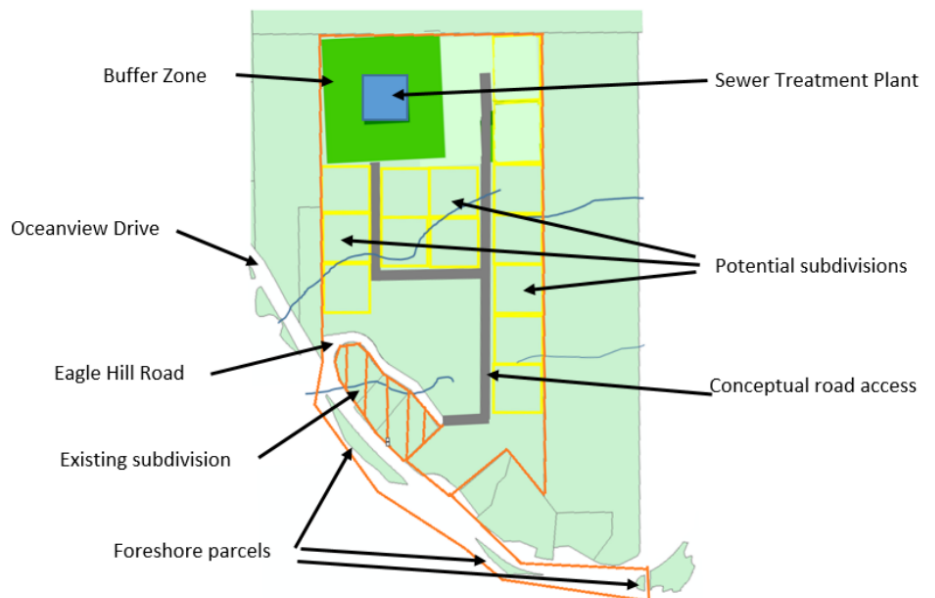

The Village of Queen Charlotte is the only community on the island without a sewer treatment facility and we are taking action to change this.

### A PROPOSED LOCATION

Village of Queen Charlotte Council is considering the purchase of District Lot 18, located at 4603 Martynuik Road.

This 78 acre property would allow a new sewer treatment plant to cover the majority of the municipality.

### POTENTIAL FOR HOUSING

The size of the proposed property also provides the possibility for subdividing the land and offering it for sale to developers. This could help meet the increasing demand for housing.

## UPCOMING REFERENDUM February 24, 2018

We want to hear from **YOU**
