

## Power Outage Notification

Sunday, June 19<sup>th</sup>

4:00 a.m. to approximately 2:00 p.m.

### Sandspit, Queen Charlotte, Skidegate and Tlell

#### **TO OUR CUSTOMERS:**

On Sunday, June 19<sup>th</sup> from 4:00a.m. to approximately 2:00p.m. the power will need to be turned off to the communities of Sandspit, Queen Charlotte, Skidegate and Tlell. Crews require the power to be off to allow them to safely perform upgrades to the system serving these communities. This work is part of a larger project with the goal of improved service to the communities of Haida Gwaii's south grid.

We apologize for the short notice and inconvenience this power outage may cause; however, this necessary work cannot be performed with the system energized.

BC Hydro would like to thank customers for their patience and understanding. Crews will work to restore regular service as quickly as can be accomplished safely.

BC Hydro encourages customers to turn off all appliances and electronics – especially portable electric heaters – during an outage. When power is restored, please wait approximately one hour before multiple appliances are used, to allow the system time to stabilize.

For more information: BC Hydro at 1-800-BCHYDRO (1-800-224-9376)
